Re: In the matter of: Request for Review by Mariposa County Unified School District  
of Decision of Universal Service Administrator

FCC Docket Nos. 96-45 and 97-21

Dear Sirs:

Mariposa County Unified School District (MCUSD) filed for Year 4 (7/01/2001 - 6/30/2002) E-rate funding from the Schools and Libraries Division (SLD) of the Universal Service Administrative Company (USAC) for telephone service under 471 Application Number: 223303. Mariposa County Unified School District is Billed Entity Number: 144383. That funding was denied on Funding Request Number: 514834 on the basis that a Technology Plan was required.

On July 31, 2001 MCUSD filed an appeal with the SLD regarding this issue. On October 1, 2001 that appeal was "Denied in full." In the Administrator's Decision on Appeal letter we received, our appeal was denied on the basis that there was no approved technology plan in place. In fact, there is a valid technology plan in place and that can be verified at the following California Department of Education web site:  
<http://www.cde.ca.gov/erate/certifieddistricts.htm>. I have also attached a copy of the information contained at that web site for your review.

The question presented for your review is whether Mariposa County Unified School District's Application Number 223303 should be approved for funding. Since funding was denied on the basis that there was no approved technology plan in place and since such a plan did exist, MCUSD's application should be approved for funding.

We ask that you uphold our appeal and approve our funding request. Thank you.

Sincerely,
